the move)**

Members of the folklore section of the Cultural and Artistic Society "Grmeč" from Bosanska Krupa and the "Women United" Association once again socialized this week with the beneficiaries of the Temporary Reception Center "Borići" in Bihać. At this second workshop led by Mr. Dževad Grošić, folk dances and songs from Sandžak, Treskavica and Sarajevsko polje were presented. Numerous beneficiaries of the Center from Syria, Afghanistan, and Egypt also attended the event with enthusiasm. Young women from Krupa showed the local hospitality also by preparing sweet packages for the youngest beneficiaries of the Center.

These activities are supported within the framework of the project "Individual measures to strengthen the response capacity to manage migration flows in Bosnia and Herzegovina", financed by the European Union and implemented by the International Organization for Migration (IOM).
