INDIVIDUAL MEASURES TO STRENGTHEN THE RESPONSE CAPACITY TO MANAGE MIGRATION FLOWS IN BOSNIA AND HERZEGOVINA

**(LIFE ROUTES - Understanding migration movements and supporting people
on the move)**

An inspiring workshop on traditional songs was held at the Temporary reception center "Borići" in Bihać. Members of the "Women United" Association and members of the migrant population learned and interpreted songs that belong to the world's cultural heritage, thus creating bridges between different cultures. The workshop leader, Admirada Arnautović, interpreted the most famous Bosnian love songs and introduced the cultural heritage of Bosnia and Herzegovina to the people on the move. Sevdalinka's longing for love was felt in every tone and every vibration of her voice.

The concert is supported within the framework of the project "Individual measures to strengthen the response capacity to manage migration flows in Bosnia and Herzegovina", financed by the European Union and implemented by the International Organization for Migration (IOM).
